

GP Briefing – e-Referral Service Project for Mental Health Phase 1 Services

Previously we informed you that Cornwall Partnership NHS Foundation Trust was adopting the e-Referral Service for their Mental Health Services.

The Services that are going live in phase 1 are:

Phase 1 – Go live Date - 1 Mar 21

- Child and Young Person’s Eating Disorder Service (CYPEDS)
- Early Intervention in Psychosis (EIP)
- Specialist perinatal Mental Health Service (SPMHS)
- Memory Assessment Service (MAS)
- Outlook South West – Improved Access to Psychological Therapies (IAPT)

How do you refer into Phase 1 Services?

Services can be referred into by searching the Directory of Services, selecting the **Request type**, **Priority**, **Speciality** and **Clinic type** on the e-Referral Service making sure the request type is **referral**. Clinical Term and Named Clinician are not used.

Service Search Criteria

Search By

* Request Type
Referral

* Priority
Routine

Enter one or more of the following fields. Entering information in more than one row may reduce the services returned.

Clinical Term

Specialty
Mental Health - Child and Adolescent

Clinic Type
Eating Disorders

Named Clinician

If there are numerous Services with the same name in the search results like Memory Assessment Service or Outlook South West IAPT, you are able to filter the results in order of the closest Service to your Practice first by click on the Miles column within the results page.

Select	Miles	Appointment Type	Service Name
<input type="button" value="Send for Triage"/>	3	Triage Service	Adult Ment
<input type="button" value="Send for Triage"/>	10	Triage Service	Early Interv
<input type="checkbox"/>	10	First outpatient	Early Interv
<input type="checkbox"/>	11	Assessment Service	Mental Hea Service
<input type="button" value="Send for Triage"/>	12	Triage Service	Merton Old
<input type="button" value="Send for Triage"/>	12	Triage Service	Sutton Con
